

The pension department at IBEW Local 134 works alongside EIT to support our members in understanding their pension plans and benefits. We make the application process for retirement benefits as smooth as possible, guiding you through the steps so you can enjoy your retirement without any worries.

IBEW Local 134, along with our partners, hosts informational retirement seminars and share educational materials to help you make the best decisions for your retirement planning. Our team works hard to keep accurate records, but it is imperative for you, the member, to update your information and beneficiaries to ensure you receive the benefits you've worked for throughout your career.

Our goal is to serve the best interests of all IBEW Local 134 members, and we're here to help you every step of the way!
